NOTES

THE LAW SCHOOL

The sixty-ninth year of the Iowa Law School opened on September 24th, 1934. The registration for the first semester of 1934-35 is shown below in comparison with the enrollment at the opening of the school year for the nine preceding years.

It should be noted that the following figures represent the enrollment at the opening of the school year. As there are always students entering late or entering the second semester, these figures will show a slight increase when the total enrollment for the academic year is made up.
